Subject: Illegally Parked Vehicles

Dear Residents,

This email is to inform you that numerous resident vehicles continually park illegally.

There are also several vehicles parking in visitor parking that are not registered and treat the visitor parking as their "second" stall.

Please be advised that Calgary Parking Authority will now begin attending on site immediately to ticket and tow illegally parked and unregistered vehicles.

Please remove any vehicles you have parked illegally immediately or you may be ticketed and towed.

Thank you for your cooperation.
