We have had a few operational questions/concerns this week from a few residents, so we have highlighted these questions/answers below for all residents to review.

1. Cleaning – this has already increased to twice a week for all common areas. Cleanings are booked for Tuesday/Wednesday and Saturday/Sunday each week.
2. Sanitary wipes – Please do not flush any sanitary wipes and/or cosmetic wipes down the toilets. Please see attached story from CBC that explains the implications of doing so.

3. Gym– still closed for the foreseeable future due to Covid19 concerns of germ spread.
4. Occupancy Fees: Reminder your occupancy fees are still due to ensure the operation of the buildings. Water, Gas, Electricity, Insurance, Waste and Snow Removal, Cleaning, etc are all still costs that have to be covered to ensure that buildings are being maintained and operated.

Stay Safe. Stay Healthy.
