Dear Residents,

Please note that the **Alarm Strobes in your units are not to be removed for any reason what so ever.**

Over the past week there has been 5 different alarms triggered, which causes the Monitoring Company to send a tech out to review.

These trip charges cost \$225.00 per event.

Should you remove these strobes or silence buttons the above noted fee will be forwarded to offenders for payment.

Please NOTE these strobes are tethered to specific unit addresses, so it is very easily determinable who the offenders are.

Thank you for your cooperation.
